would like to invite you to

FRIDAY **13/11/2015**

CF MAFIL Open Days

09:00 – 10:30 meeting
10:30 – 12:00 laboratories

Masaryk University Campus Bohunice
room 211 (meeting) and MAFIL labs

Building A35, Kamenice 5, Brno (entrance
from Studentska street)

Meeting with users

We would like to invite you to a short meeting between MAFIL staff and users (both existing and potential). The meeting will start with presentation of MAFIL services, equipment, and news. We also would like to discuss all issues related to measurement of data (or usage of any other service) in CF MAFIL.

The feedback from users is really appreciated for us.

The meeting will be accompanied by Open Days of CF MAFIL – all attendants can visit MAFIL laboratories, see our equipment and discuss whatever with CF staff.
